## WOMAN IGNITE SUCCESS SUMMIT 2025 EMPOWERS HUNDREDS TO THRIVE

**Kingston, Jamaica (26 January 2025)** – Anticipation soared as over 300 women from diverse backgrounds gathered at the Jamaica Pegasus on Saturday for the highly anticipated fourth staging of the Woman Ignite Success Summit under the theme *Thrive*. First-time attendees marvelled at the inspiring atmosphere, while seasoned participants, affectionately dubbed “Igniters,” eagerly geared up for a transformative day of workshops, keynote presentations, and life-changing testimonies from globally renowned leaders.

The summit featured world-class speakers, including Prophet Christopher Beleke, Dr. Shalette Ashman, Pastor Dianne Fletcher, Alicia Taylor, and Megan Ashley, whose candid and heartfelt podcast-style interview resonated deeply with attendees. Reflecting on her impact, Megan Ashley said, *“It’s both humbling and terrifying to realise the depth of my impact and that so many Jamaicans know who I am. It’s a powerful reminder that to whom much is given, much is required.”*

The day began with an uplifting session of praise and worship, followed by engaging workshops such as “Vision to Victory: Building Your Business Legacy,” led by Dr. Shalette Ashman, and “Empower Your Mind: Strategies for Breaking Mental Barriers to Success,” facilitated by Prophet Christopher Beleke. A vibrant panel discussion on leadership and family dynamics titled “God’s Leading Lady” was another highlight, featuring Pastor Dianne Fletcher, Alicia Taylor, and Pastor Trudy Tucker.

The event also served as a platform to spotlight **the W.A.R. (Women at Risk) Initiative**, a signature outreach programme of the Woman Ignite Foundation, which supports vulnerable women in Jamaica through counselling, mentorship, and financial assistance.

**Founder & Conference Convener, Keneshia Nooks Blake expressed her gratitude to attendees, partners, and speakers who contributed to the summit’s success:**

*“WISS has always been about creating a space for women to dream big, conquer challenges, and thrive in every area of their lives. This year’s theme, Thrive, truly reflects our commitment to empowering women to rise above obstacles and step boldly into their God-given purpose.”*

As the event concluded with a powerful keynote address and worship session, attendees left inspired and equipped with tools to apply the lessons learned to their personal and professional lives.
